

# FOCAL POINTE

OUTDOOR SOLUTIONS, INC.

## 2017 Internship Program

Focal Pointe Outdoor Solutions, Inc. is a full service, high end commercial and residential landscape company in the St. Louis Metropolitan area. Since 1998 we have been providing quality landcare services at prominent locations in the area, such as Busch Stadium and the Edward Jones world headquarters. Services provided to these and many other clients include design, installation and maintenance of landscape, full service gardening, irrigation and lighting, flower design and care, turf management, and snow removal.

Focal Pointe prides itself on honesty, integrity and service to our customers through a culture that allows quality individuals to work as a team fully servicing all the needs of our clients. Each team member has the opportunity to make an immediate impact in this fast growing organization. Motivated individuals will be able to further their horticulture, management and leadership skills while working as part of a fun and energetic team.

Beginning in 2015, Focal Pointe Outdoor Solutions instituted a custom internship program for individuals interested in hands-on learning for careers in the landscape services industry. The summer program will include opportunities to learn and experience various areas of the landscape industry beginning approximately May 15<sup>th</sup> and concluding August 30<sup>th</sup> while including the following disciplines:

- General Horticulture including Estate Gardening and Detail Crew operations
- Weekly Maintenance Services
- Technical Services including Irrigation, Pools, Spas, and Lighting
- Plant Health Care
- Construction & Installation Management
- Account Management & Landscape Design
- General Business Planning & Function
- Self Chosen Areas of Interest

The program is designed so that you will spend approximately one week in each of these above disciplines, culminating in a mutually agreed upon self chosen area of interest to finish the curriculum. Focal Pointe Outdoor Solutions is offering this as a paid internship with the ability to provide college internship credit in a horticultural or agricultural degree program. This internship is open to all applicants and must be college juniors, seniors, or graduate students as of April 2017. Application deadline is March 3<sup>rd</sup>, 2017. All interested applicants must submit a current resume with references and relevant course work noted to the following:

Matthew Kalisiak  
Focal Pointe Outdoor Solutions, Inc  
1921 Ravinia Drive  
Caseyville, IL 62232
